MCHA to Offer Low-Cost, Appointment-Free Vaccine Clinic for Dogs and Cats on Sunday, March 9

Bloomington, IN – Monroe County Humane Association (MCHA) is excited to announce its March event to help local cat and dog owners keep their animals safe and healthy.

On Sunday, March 9, 2025, Bloomington Animal Care & Control will host MCHA's pop-up mobile vaccine clinic at the Bloomington Animal Shelter located at 3410 S. Walnut St, Bloomington, IN 47401. MCHA's dedicated veterinary team of volunteers and staff will be available from 1-3 p.m. with no appointment needed; all are welcome!

Mobile Clinics offer a range of services, including legally mandated rabies vaccines for pets aged 12 weeks (about 3 months) and older. Additionally, clinics provide nail trims, anal gland expressions, microchips, and preventive measures for flea, tick, and heartworm.

Protect Your Dog and Save Money at the March Mobile Vaccine Clinic:

Leptospirosis is a serious, life-threatening disease that can spread to humans, so keeping your dog protected is essential. When you choose to vaccinate your dog against Leptospirosis at our March Mobile Vaccine Clinic, you'll receive a FREE Distemper/Parvo (DAPP) vaccine—a savings of \$18–\$22! Take advantage of this special offer and safeguard your pet's health while saving money!

Subsidized rates are available to residents experiencing financial hardship. To qualify for these rates, residents should bring valid documentation with them to the Mobile Vaccine Clinic. Safety is paramount. Cats must be in carriers, and dogs must be leashed (no retractable leashes). It's essential for pet owners to understand that pets showing signs of illness or aggression might be turned away.

Communities or organizations interested in hosting a wellness clinic are invited to reach out to Liz Austin, Outreach Coordinator, at eaustin@monroehumane.org. This is a wonderful opportunity to bring essential pet care services to your area.

Learn more about Mobile Vaccine Clinics, including future dates and locations, at monroehumane.org.

MOBILE VACCINE CLINIC SERVICES/COSTS:
